

SIMPLY WORKING SMARTER

SIMPLY AFFORDABLE TRANSCRIPTION

The Transcription Kit 710 bears all the features that you need for transcription, right from the start. Its modern design and user-friendly controls make typing convenient, while the Acoustic Search Forward function allows you to find dictated documents easily. Discreet transcription is possible with the attachment of a headset and foot control. In addition, Playback speeds, Volume and Tone levels can be set to your own preferences.

Included in the Analog Transcription Kit 710:

Foot Control 210

Headset 233

Power Supply 155

ANALOG
